

The Scripture in the Stars: God's Master Plan (Paperback)

By Michael Ledo

Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English. Brand new Book. Ledo has discovered the secret of the ages, the astrology code of the Bible. Many of the stories in the Bible play out in the constellations. Anyone who has read the work of E.W. Bullinger's "The Witness of the Stars" is familiar with how the Bible relates to the constellations. Bullinger's work concentrated mostly on the New Testament. His work is mostly concerned on the Old Testament. There are New Testament comparisons. This book is part of a larger work, "On Earth as it is in Heaven, The Cosmic Roots of the Bible." The subject matter is arranged differently in this book, listing by constellations instead of stories. In addition to curious believers, this book would be of interest to astronomers as a field guide in locating Bible stories in God's heavens.

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.

-- **Andres Bashirian**

Comprehensive guide for publication fanatics. This really is for all who statte there had not been a well worth reading through. I discovered this ebook from my dad and i encouraged this book to find out.
